## Does the Paper

On your wall displeases you? No need to keep it there. We have a most complete stock of wallpaper from which you should be able to select. There is a girl, daintily colored paper for parlor. Here is another not quite so expensive, but equally pretty, for bedrooms.

Perhaps you would wish a dining or bedroom in the latest Drift Blue, or a library in a rich tone of Terra Cotta, Olive or Red.

A BEAUTIFUL  
ART CALENDAR

Presented to all Purchasers,

Saturday, January 9,

AND THE FOLLOWING WEEK.

THE GREAT ATLANTIC AND PACIFIC TEA CO.,

509 MAIN ST., OPP. CAPITOL HOTEL.

The time to stop disease is before it really gets started. Then it is easy. Almost all disease starts in the stomach. A little trouble planted there will spread its branches all over the body. Indigestion drags behind it a lengthening chain of disease. Indigestion makes impure blood, it makes anaemia, that poisons, makes the body weak, causes loss of flesh, and makes a hundred openings for disease to enter. Stop indigestion and you stop the rest. Go to the root of the trouble and you soon kill the branches. Keep the digestion in good order and you may laugh in the face of sickness.

**RIPANS Tabules**

are for the digestive organs—for stomach, liver and bowels. They stimulate the appetite, help digestion and assimilation of food, keep all the organs healthy active. They cure indigestion—that means biliousness, sour stomach, flatulence, headache, bad blood, bad complexion, pimples, eruptions, constipation and half a hundred other things that arise from the one cause. They cure the cause—the rest is easy. One Tabule is a dose—one goes relief. Should be taken at meal times, at bed time, or whenever a premonition of a need of it is felt. You'll feel better, and quickly too.
